CERTIFICATE. CINGINIATI, Feb 7th, 1851.
This is to certify that my sister, Mary C. Belmar was attacked with a disease in her hip, more than three years ago, which rendered her so atterly help ess that she was compelled to keep her bed. hopes of her recovery were despaired of. Some of the most eminent physicians of Covington and Cincinnati attended her, all of whom declared her case a hopeless one. Passing by Dr. Howe's de pot, an idea suggested itself, that to try one bott's of his Shaker Saraparilla could do no harm. Ac-cordingly I purchased one bottle, and before its municated by descent, and children of parents contents were entirely used she received benefit I was induced to try another, and another; before the last was used she had nearly recovered. Now sumption, Scrofula or Syphilis, owe it to them- she has no pain, can walk, and has the entire use selves to take precaution against the disease be- of her limbs. It is now put up in QUART BOTTLES, of the same power and medical chacty as when in small bottles. The great Superiority of this Blood Purifier over all other medicines, consists in a great measure in its possessing as a part of its compound, the passerful Medical Virtues of some Searce and Hare Indian Roots and Barks. which no other medicine possesses. These are the most certain Purifiers of the Bland that were ever known to sithe Indian or white man, and these being compounded with the strong by-sencentrated Extructs of
